

# AUTISM REVERSAL TOOLBOX

## Table of Contents

Foreword for Parents . . . . .	9
Introduction . . . . .	11
I Setting up the Workbench 13	
On Terra Firma: Welcome Baby! . . . . .	13
Discord in Paradise: Modeling Autism Spectrum . . . . .	14
DSM V: Diagnostic Criteria for 299.00 Autism Spectrum Disorder . . . . .	14
“Verging on Autism” Features . . . . .	15
A Sense-Dimensional Perspective . . . . .	16
The Sense Dimension of Touch . . . . .	18
The Sense Dimension of Taste . . . . .	20
The Sense Dimension of Smell . . . . .	22
The Sense Dimension of Hearing . . . . .	24
Jing and the Consolidation (Inheritance) of Stress . . . . .	26
The Screams of Jing . . . . .	27
The Sense Dimension of Sight . . . . .	28
The ASD Intake . . . . .	31
Preparation . . . . .	31
Engaging the Session . . . . .	32
Treating the Mother . . . . .	33
Ten Elements of a Successful Approach . . . . .	33
1. Gain familiarity with developmental delays . . . . .	35
2. More than one pair of eyes and ears . . . . .	35
3. The angels are in the details . . . . .	36
4. Consider treating the siblings . . . . .	36
5. Familiarize yourself with other modalities . . . . .	37
6. Dance on a tightrope . . . . .	38
7. Take your time analyzing . . . . .	38
8. Formulate your game plan . . . . .	38
9. Manage expectations . . . . .	39
10. Do not limit your practice to autistic clients . . . . .	39
The Bigger Picture: Prophylaxis . . . . .	40

The Promise of Homeopathic Prophylaxis . . . . .	44
II Conceptual Tools . . . . .	48
Epigenetics . . . . .	48
Main Types of Epigenetic Information . . . . .	50
Miasms . . . . .	51
Neural Auto-immunity . . . . .	59
Digital Dystopia . . . . .	61
Six Stages of Pathology: Homotoxicology . . . . .	62
Chart: Reckeweg Homotoxicology and Differentiation According to Channel Theory (TCM) . . .	64
Trauma and Stress . . . . .	66
Fetal Distress and ASD . . . . .	66
Disruption of the Infant Microbiome . . . . .	67
Iatrogenic Perils for the Fetus and Neonate . . . . .	68
Prenatal Maternal Stress and ASD . . . . .	73
Assisted Reproductive Technology . . . . .	73
Toxic Burden . . . . .	74
Pharmacological Burden . . . . .	74
Vaccination Imprint . . . . .	76
Heavy Metal Toxicity . . . . .	81
Pesticides . . . . .	82
Monosodium Glutamate . . . . .	83
Glial and Neuronal Overload . . . . .	84
An Overheated Nervous System and Brain Inflammation	84
Leaky Gut . . . . .	84
Synaptic Overload, Diminished Autophagy . . . . .	85
Mitochondrial Damage . . . . .	86
Excitotoxicity and Neural Auto-Immunity . . . . .	87
PANDAS . . . . .	88
III Workshop Tools	90
Soft Focus Remedies . . . . .	90
The Unda Remedies . . . . .	91
Biotherapeutic Drainage . . . . .	92
Nutritional and Environmental Self-Care . . . . .	93
IV Workshop Methods . . . . .	96
Method One: the Banerjee Protocol . . . . .	96

Method Two: Environmental-Never-Well-Since (ENWS) . . . .	97
Three Cases from the Study . . . . .	105
Repertory and Materia Medica for the EWNS Method . .	114
Method Three: The Sine Wave Approach . . . . .	121
Preparatory Self-Help Program for Parents . . . . .	123
Two-Month Unda Number Program . . . . .	126
Second round of Unda Remedies or Bowel Nosodes . . . .	127
Heavy Metal Detox, CEASE or Constitutional Prescribing	127
The Four-Potency Detox Protocol (CEASE) . . . . .	128
Soft Focus Remedies . . . . .	129
V Materia Medica	132
ASD Characteristics . . . . .	132
Pregnancy-Related Issues . . . . .	132
Birth-Related Issues . . . . .	132
Dysfunctional Bonding . . . . .	136
Developmental Delay . . . . .	139
Failure to Thrive . . . . .	140
Gut Support . . . . .	141
Solipsistic States . . . . .	144
Insularity . . . . .	145
Obsessiveness . . . . .	146
Muteness . . . . .	147
Hypersensitivity . . . . .	148
Electro-Magnetic Field Exposure . . . . .	149
Never Well Since Vaccination . . . . .	150
Childishness . . . . .	150
Managing Exacerbations . . . . .	151
Aggressive/Destructive Behavior to Self and Others . . . .	151
Allergies . . . . .	153
Fever . . . . .	153
Regression . . . . .	153
Seizures . . . . .	154
9	
V Materia Medica: Managing Exacerbations continued	
Sexual Overstimulation . . . . .	154
Sleeplessness . . . . .	155

Karma . . . . .	156
Meditative Proving Remedies . . . . .	156
Gem Essences . . . . .	157
Cutting-Edge Soft Focus Remedies . . . . .	158
Appendix I Illustrative Cases . . . . .	161
Appendix II Toolshed Resources . . . . .	180
HANDLE Method . . . . .	180
Orthomolecular support . . . . .	180
Flower essences . . . . .	183
Biochemic Tissue/Cell Salts . . . . .	183
Chi Gong . . . . .	184
Color and Sound Remedies . . . . .	185
Gemmotherapy . . . . .	185
Craniosacral therapy . . . . .	185
EMDR . . . . .	185
Alphabiotics . . . . .	185
Appendix III Chinese Medicine . . . . .	186
Chart: The Five Sense Dimensions . . . . .	191
Appendix IV Reintroducing Emanuel Swedenborg . . . . .	193
Relevant Excerpts from the Writings of Emanuel Swedenborg	196
Appendix V Notes on Autoimmunity . . . . .	201
Bibliography . . . . .	202
Understanding Autism . . . . .	202
Methods: Resources for Parents . . . . .	204
Methods: Resources for Practitioners . . . . .	205
