[212-581-8100](tel:212-581-8100)

special room rates

NEW

Pre-Seminar Workshop

"Energetic Detox Protocols" with Doug Phillips

Friday, Feb 17 9:00 am - 12:00 noon

Fee: \$150.00

A simple, non-invasive method to eliminate a toxin in 24 1/2 hours! How to detect and clear the toxin, for effective uptake of your protocol!

You will be able to do this when you leave! Not to be missed!

Evening Talk and Demonstrations :

Non-seminar attendees may register for this special event!

Autism/Lyme Q & A with Dr. Jones and Demonstrations of Dr. Klinghardt's protocols using Autonomic Response Testing.

Saturday Feb 18th: 7-9:30 pm
Fee: \$100.00 for non-seminar attendees
or \$75.00 for two or more registering together.

Dr. Klinghardt has assembled a faculty of outstanding scientists and practitioners and will also share his valuable insights and treatment approaches for the most prevalent illnesses of our time Autism, CCSVI, Lyme disease, Pre-Conception Health, Vaccines, EMF, Healthy Home Environment, and other Neuro-Degenerative Disease.

Guest Faculty:

Dr. Charles Ray Jones MD

Beloved Pediatric Lyme Practitioner will share his clinical observations over the years with the children he sees, his results and treatments! Q & A will follow that should not be missed. His Friday evening talk is open to patients to register!

Dr. Jeff Bradstreet, MD

with latest Autism Breakthroughs: gcMAF research, Stem cell therapy.

Dr. Magda Havas PhD

Associate Professor of Environmental & Resource Studies at Trent University where she teaches and does research on the biological effects of environmental contaminants and how to create a healthy home.
