**Press Conference Thursday, March 3 at 2:00 p.m. at the U.S. Supreme Court**

(Washington, D.C.) Russ and Robalee Bruesewitz, parents of Hannah Bruesewitz, along with vaccine safety and autism leaders Mary Holland, Esq. and Louise Kuo Habakus will hold a press conference on Thursday, March 3, 2011 at 2:00 p.m. in front of the U.S. Supreme Court. They will denounce the Court's ruling last week in *Bruesewitz v. Wyeth*. Vaccine-injured children are now denied the right to sue for defectively designed vaccines in civil court.

The Supreme Court's decision will erode public confidence in childhood vaccines. On behalf of over 100,000 concerned citizens, advocates, and professionals, these leaders urgently call for vaccine policy reform.
